San José, CA

Education

B.S. Electrical Engineering

Expected May 2028

San José State University

Projects

VEX Robot (ENGR 10)

- Improved weight distribution to enhance stability and maneuverability during operation.
- Assisted with robot arm design, mechanical assembly, and debugging during testing cycles.
- Designed and assembled the drivetrain and claw, focusing on reliability and ease of maintenance.

BlackJack Console Game (EE30) - C++

- Used arrays, control flow, and functions to manage gameplay logic and user interaction.
- Implemented a betting system with balance tracking and win/loss conditions.
- Designed a no-repeat card deck using a Fisher-Yates shuffle and swap-and-shrink draw method.

Skills

- C, C++, MS Excel, Word, Powerpoint
- Graphic design, Autodesk, 3D printing, CAD
- Wiring, Voltage testing

Work Experience

Sales Associate

May 2025 - Present

Levi's Outlet Store, Livermore, CA

- Advised customers on fits, sizes, and promotions to match preferences and drive additional sales.
- Replenished floor and backstock, executed go-back runs, and kept areas clean and organized.
- Processed purchases accurately at the register and maintained a positive customer experience.

Head Teen Officer Intern

October 2022 - February 2024

Alameda County Library, Dublin, CA

- Organized books, managed inventory, and helped maintain a quiet study environment.
- Led a team of teens in creating events, assisting librarians, and presenting ideas to city council.
- Partnered with library staff to improve community outreach using a variety of social medias.

Electricians Apprentice

Ficarra Electric, Dublin, CA

November 2020 - July 2022

- Assisted in wiring and troubleshooting electrical systems in 20+ residential homes and projects.
- Gained hands-on exposure to real-world electrical systems, safety procedures, and job-site workflows.
- Prepared job sites, organized materials, and coordinated tools to support efficient project completion.

Honors/Certifications

- CSEA - 2024 Teresa Herrington Memorial Scholarship
- Track & Field / Cross Country 4x Athletic Scholar (2022-2024)
- California Seal of Biliteracy (English-Spanish)
- UCSD Summer Springboard Engineering Studies, Certificate of Completion
